1-855-838-4956 Ethiopian Airlines Singapore Office

For assistance with Ethiopian Airlines in Singapore, travelers should utilize the airline’s official website or global customer service contacts. The airline operates through its international network, with flights arriving at Singapore Changi Airport (SIN).

Key Contact Information & Services:

Website: Ethiopian Airlines Singapore

Support: For inquiries regarding bookings, baggage, or ticket changes, it is recommended to use the online contact options.

Ticket Changes/Refunds: Tickets purchased via travel agencies should be handled through the agency, or through the Manage Booking section of the website.

For immediate, location-specific queries, using the web-based "Worldwide Contacts" tool is recommended to find the most current local support options.
